

An Art for a Cause

An Art for a Cause: a selection of artworks engaged with Palestine

The exhibition highlights a significant collection of artworks drawn from the private collection of Saleh Barakat Gallery showing artists who have historically engaged with the Palestinian cause.

While some people take up arms, artists employ different means of resistance, using the power of images, color and line, to shed light, deepen understanding and empower.

An indirect view can transform, move hearts and minds. Art provides this powerful way of seeing and we celebrate this humanity as we continue to engage with, and support the Palestinian people in this time of unprecedented humanitarian crisis.
